

**Advanced Sensing, Modelling, And Control Of Materials Processing: These Are The Joint Proceedings Of The Knowledge-based Control Of Solidification Processes Symposium, (organizers B. G. Kushner, C. G. Levi, And P. A. Parrish) Sponsored By The TMS Process Monitoring And Control, TMS Solidification, And The ASM-MSM Synthesis And Processing Of Materials Committees, Held At The TMS Fall Meeting In Detroit, October 9-11, 1990; And Of The Intelligent Processing Of Materials State Of The Art And Implementation Symposium, (organizers E. F. Matthys And W. Barker) Sponsored By The TMS Process Monitoring And Control Committee, Held At The TMS Annual Meeting, New Orleans, February 17-21, 1991**

**by Eric F Matthys; Brian G Kushner ; TMS Process Monitoring and Control Committee; Metallurgical Society of AIME; ASM-MSM Synthesis and Processing of Materials Committee; Metals and Materials Society Minerals (**
