

Gravitational Wave And Particle Astrophysics Detectors: 23-24 June, 2004, Glasgow, Scotland, United Kingdom

by James Hough; Gary H Sanders; Society of Photo-optical Instrumentation Engineers; American Astronomical Society

Gravitational Wave And Particle Astrophysics Detectors: 23-24 June, 2004, Glasgow, Scotland, United Kingdom. Book author : James Hough. Size : 13.62mb. biennial report 2004 – 2005 - Chalmers tekniska högskola Transport Properties of Excited Nuclear Matter and the Shock Wave Profile, . Variation of Single-Particle Occupations and the Uncertainty Principle, .. symmetry energy: from nuclear extremes to neutron-star matter, P. Danielewicz, 2004. Gravitational Waves and Astronomy, Guildford, Surrey, UK, 29-30 July 2013. Optical and infrared detectors for astronomy : 21-22 June, 2004 . not available for this record. Biographical notes are generated from the bibliographic and archival source records supplied by data contributors. Gravitational wave and particle astrophysics . - Library Catalogue Jun 24, 2004 . Gravitational Wave and Particle Astrophysics Detectors: 23-24 June, 2004, Glasgow, Scotland, United Kingdom has 0 available edition to buy Gravitational wave and particle astrophysics detectors, electronic resource, 23-24 June 2004, Glasgow, Scotland, United Kingdom, James Hough, Gary H. Photon- and electron-stimulated desorption from laboratory models . Gravitational wave and particle astrophysics detectors 23-24 June 2004, Glasgow, Scotland, United Kingdom / Published: (2004); Gravitys shadow the search .
