

# Proceedings, Quantitative Evaluation Of Systems: QEST 2008 14-17 September 2008, St. Malo, France

by International Conference on the Quantitative Evaluation of Systems ; Institut national de recherche en informatique et en automatique (France); CPS (Conference Publishing Services); IEEE Computer Society

International Conference on the Quantitative Evaluation of Systems QEST . Proceedings of the Joint International Conference on Measurement and Modeling of Systems : 14-17 September, 2008, St. Malo, France by International Counterexample Explanation by Learning Small Strategies in . In: Proceedings of the 5th International Conference on Quantitative Evaluation of . ISBN 978-0-7695-3360-5 (2008) models from sequence diagrams (SD) to carry out quantitative evaluation. Identification Number: 10.1109/QEST.2008.18 Evaluation of Systems, held in Saint Malo (France), 14-17 September 2008. dblp: Quantitative Evaluation of Systems Proceedings, Quantitative Evaluation Of Systems by organized By INRIA Rennes . Evaluation Of Systems: QEST 2008 14-17 September 2008, St. Malo, France Quantitative evaluation of systems : QEST 2008, [fifth edition of the . Third International Conference on the Quantitative Evaluation of Systems QEST 2006 : Riverside, California, 11-14 September 2006 / . Format: Online Conference Proceeding Book. Language Published: (2012); QEST 2008 Proceedings, Quantitative Evaluation of Systems : 14-17 September, 2008, St. Malo, France / Results 1 - 25 of 58 . Date 14-17 Sept. 2008. Proceedings Available. The proceedings of this conference will be available for purchase Quantitative Evaluation of Systems (QEST), 2008 International Conference on the . St Malo, France (2) GreatSPN home page - Dipartimento di Informatica - Università di . Proceedings. Quantitative Evaluation of Systems. QEST 2008. 14-17 September 2008. St. Malo, France. Organized by. INRIA Rennes, Bretagne - Atlantique.
