

The Caledonian-Appalachian Orogen

by A. L Harris; D. J Fettes; Geological Society of London;
International Geological Correlation Programme

Late Proterozoic and Palaeozoic (pre-Permian) palaeomagnetic data from all regions involved in, or adjacent to, the Caledonian-Appalachian orogenic belt are . Provenance and tectonic history of the Gander Zone in the . a thematic conference: a symposium on the Caledonian- Appalachian Orogen in Glasgow, U.K. in September 1984. That symposium was the culminating event The Caledonian-Appalachian Orogen - Geological Society, London . The continental margins of Iapetus are identified in the deformed early Paleozoic miogeoclines of the Caledonian-Appalachian Orogen. Ophiolitic vestiges of orogeny - Correlating the Caledonian and Appalachian Orogenies . Appalachian orogenic belt, an old mountain range that extends for more than . in the form of the Caledonian and Hercynian orogenic belts in western Europe. 12 Dec 2006 . The Caledonian-Appalachian Orogen edited by A. L. Harris and D. J. Fettes, 1988. Special Publication No. 38, Geological Society of London, Appalachian Orogeny of the Paleozoic-- Ellen Kazary Caledonian Appalachian Orogen (Geological Society of London Special Publications) [A. L.
