

Women In 19th-century Europe

by Fiona Macdonald

In the later nineteenth century things for women began to change. With the influx of Southern European and other non-WASP immigrants in the latter half of the century, women still had to navigate gender-specific artistic and social roles in the 19th century. This major new history of European women's professional activities and organizational roles during the long nineteenth century examines what women could do. Gender Ideology & Separate Spheres in the 19th Century - Victoria. WOMEN IN THE MIDDLE CLASS IN THE 19TH CENTURY. The nineteenth century for Europe and America has been called the century of the middle class. During the 19th century the Industrial Revolution transformed life in Britain and in other countries in Europe and North America. By the end of the century life was different.
